The above list are examples of the most common life changes. For a complete list, look to the current plan year PEIA Shopper's Guide. If you think you may qualify to change your benefit elections due to a current life event, please contact Benefits at 304.293.5700x4 for additional information.

***Please note:**

*Benefit coverage levels can be changed due to life events. You can add and drop dependents due to a qualifying life event, but you cannot change your current plan enrollment. Plan(s) can only be changed during an Open Enrollment Period (this would include changing from a Basic Dental Plan to an Enhanced Dental Plan).

*Vendors require proper documentation to support your Change-In-Status. You are also required to submit a marriage certificate to cover a spouse and birth certificates to cover children.

***Changes are only permitted during the month of the event and the following two months.** Changes are effective the month following the completed enrollment(s). If a change is requested outside of this time period, you will be required to wait until an Open Enrollment period.

Qualifying life events which end dependent eligibility (such as divorce) must be reported immediately. If an event that ends dependent eligibility is not reported immediately the policyholder may face certain repercussions, such as reimbursement of claims paid by PEIA on the ineligible dependent or premium cost reimbursement to WVU.
