 **PNC** | WorkPlace Banking®

1. In order to be eligible for the WorkPlace Banking Program offers and rewards, you must apply for eligible PNC products either directly with a dedicated WorkPlace Banking Consultant or you must notify a PNC Branch Banker/PNC Customer Care Consultant that you are employed by a WorkPlace Banking company.

Offer is contingent on product availability and may vary based on where you open your account and the ZIP code of your primary address. For origination through a PNC location, product availability will be based on the physical PNC location. You may earn a \$400 reward if you open a new PNC WorkPlace Banking Virtual Wallet with Performance Select or a \$200 reward if you open a new PNC WorkPlace Banking Virtual Wallet with Performance Spend. If you change your Virtual Wallet product type after account opening, the product type that you are in on the last business day of the month in which you opened your account will determine your offer eligibility, terms and the corresponding reward amount, if applicable.

To qualify for the reward, the new PNC WorkPlace Banking Virtual Wallet product must be opened with a valid PNC WorkPlace Banking company code online, or at a physical PNC location or call center by presenting this flyer from 01/03/2024 through 07/1/2024, and a qualifying Direct Deposit(s) must be received within the first 60 days. Your Virtual Wallet product must remain open in order for you to receive the reward, which will be credited to the eligible account within 60–90 days after all conditions have been met and will be identified as "Credits Check Reward" on your monthly statement.

A qualifying Direct Deposit for this offer is defined as a recurring Direct Deposit of a paycheck, pension, Social Security or other regular monthly income electronically deposited by an employer or an outside agency into the Spend account of a Virtual Wallet with Performance Select or Virtual Wallet with Performance Spend. The total amount of all qualifying Direct Deposits credited to your Spend account must be at least \$5,000 for Virtual Wallet with Performance Select or \$1,000 for Virtual Wallet Performance Spend. Credit card cash advance transfers, wire transfers, person to person transfers, transfers from one account to another, or deposits made at a physical PNC location or ATM do not qualify as qualifying Direct Deposits.

New account will not be eligible for offer if you or any signer on the new account has an existing PNC Bank consumer checking account or has closed an account within the past 90 days, or has been paid a PNC promotional premium in the past 24 months. If multiple accounts are opened with the same signers, only one account will be eligible for the premium. Trust, Estate and other specialty titled accounts are excluded from this offer. Offer may be extended, modified or discontinued at any time and may vary by market. The value of the reward may be reported on the appropriate Internal Revenue Service (IRS) forms, and may be considered taxable income to you. Please consult your tax adviser regarding your specific situation.

2 PNC does not charge a fee for Mobile Banking. However, third-party message and data rates may apply. These include fees your wireless carrier may charge you for data usage and text messaging services. Check with your wireless carrier for details regarding your specific wireless plan and any data usage or text messaging charges that may apply. Also, a supported mobile device is needed to use the Mobile Banking app. Mobile Deposit is a feature of PNC Mobile Banking. Use of the Mobile Deposit feature requires a supported camera-equipped device and you must download a PNC Mobile Banking app. Eligible PNC Bank account and PNC Bank Online Banking required. Certain other restrictions apply. See the mobile banking terms and conditions in the PNC Online Banking Service Agreement.

³ In order to avoid overdraft fees, you must bring the available balance in your account to at least \$0 before your Extra Time expires. If you make a deposit, the time it takes for your deposit to be reflected in your available balance and for those funds to become available to you will vary based on the deposit type and time. 4 Debit card transactions do not qualify for Payment Control. When you choose to return an item that has been presented to PNC for payment, we will return the item to the payee's bank for insufficient funds, and the payee will not receive payment from PNC. You may still have an obligation to pay the payee for goods, services or other products. PNC is not responsible for satisfying any obligations between you and the payee or any other party with respect to an item you decide to return. Before choosing to return an item, you should consider rules the payee may have or actions the payee may take on late/returned payments. Overdrawing an account, maintaining a negative available balance for any period of time, and returning transactions as unpaid may have other consequences, including account closure or negative impacts to your ability to obtain financial services including loans, deposit accounts, and other services at PNC and other institutions.

5 PNC Alerts are free to customers. However, third-party message and data rates may apply. These include fees your wireless carrier may charge you for data usage and text messaging services. Check with your wireless carrier for details regarding your specific wireless plan and any data usage or text messaging charges that may apply.

6 If you make at least five qualifying purchases in a month with your linked Visa® Debit Card and/or PNC consumer credit card, or set up a qualifying monthly direct deposit of at least \$5,000 for Virtual Wallet with Performance Select, \$2,000 (\$1,000 for PNC WorkPlace Banking® or Military Banking customers) for Virtual Wallet with Performance Spend, or \$500 for Virtual Wallet, you'll earn the corresponding relationship rate on your Growth account for the following month. Transactions are considered to be made when the transaction posts to the Spend or credit card account, which may be later than the date you initiated the transaction.

We will only link accounts at your direction. If you have not directed PNC to link another account to your Virtual Wallet, the accounts will not be linked and you will not receive a relationship rate, applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.

7 A qualifying direct deposit is defined as a recurring direct deposit of a paycheck, pension, Social Security or other regular monthly income electronically deposited by an employer or an outside agency into the Spend account of a Virtual Wallet with Performance Select, Virtual Wallet with Performance Spend or Virtual Wallet. The total amount of all qualifying direct deposits credited to your checking account must be at least \$5,000 for Virtual Wallet with Performance Select, \$2,000 for Virtual Wallet with Performance Spend (\$1,000 for WorkPlace or Military Banking customers) or \$500 for Virtual Wallet. Credit card cash advance transfers, wire transfers, transfers from one account to another or deposits made at a branch or ATM do not qualify as qualifying direct deposits.

8 For PNC Virtual Wallet with Performance Select and PNC Virtual Wallet with Performance Spend, PNC deposit accounts eligible to be linked may include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. For Virtual Wallet with Performance Spend only, any PNC Investment (PNCI) asset where PNCI is the broker-dealer of record is eligible to be included in the combined average monthly balance requirement; assets managed under a fiduciary relationship with PNC Wealth Management are not included. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. A maximum of ten (10) linked PNC accounts, including your Spend, Reserve and Growth accounts, may be included in the combined average monthly balance relationship. See the PNC Virtual Wallet Fine Print: "What You Need to Know," "Interest Payment and Balance Computation" section for details. We will determine the combined average monthly balance using the most current statement period balance on linked deposit accounts as of the day before this account cycles.

9 Visit pnc.com/locator to find a PNC or PNC Partner ATM near you where PNC customers can access money fee-free.

10 The fee for qualifying domestic or international non-PNC Bank ATM transactions made on your Spend, Reserve or Growth accounts during the statement period will be reimbursed to your Spend account at the end of the statement period in the order the transactions were processed. Virtual Wallet with Performance Select reimburses an unlimited count, Virtual Wallet with Performance Spend reimburses the first four and Virtual Wallet reimburses the first two fees. Fees in excess of this count per statement period will not be reimbursed. In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period. For additional information, see the Virtual Wallet Features and Fees or Consumer Schedule of Service Charges and Fees.

11 Online Banking is free to customers with an eligible account; however there may be a fee for certain optional services. We reserve the right to decline or revoke access to Online Banking or any of its services. All online banking services are subject to and conditional upon adherence to the terms and conditions of the PNC Online Banking Service Agreement.

12 A fee may be charged if a paper statement is requested in addition to the online statement for an account.

13 Offers are available from participating merchants. Your personal banking information is not shared with the merchants participating in PNC Purchase Payback. Whether you receive offers may depend on using your PNC Visa® Card, or where you use your PNC Visa® Card to make purchases. Not everyone will get the same offer.

14 To qualify for the \$300 mortgage account reward, at the time of mortgage funding, the PNC WorkPlace Banking customer must have an eligible PNC WorkPlace Banking Virtual Wallet with Performance Select, Virtual Wallet with Performance Spend, Virtual Wallet Checking Pro, Performance Select Checking account or Performance Checking account.

The PNC WorkPlace Banking checking account must remain open in order for you to receive the \$300 reward, which will be credited to the eligible checking account within 90 days after conditions have been met and will be identified as "CREDITS MORTGAGE WKP MIL" on your monthly checking account statement.

Offer may be extended, modified, or discontinued at any time. The value of the reward may be reported on the appropriate Internal Revenue Service (IRS) forms, and may be considered taxable income to you. Please consult your tax adviser regarding your specific situation.
