

# WVU Values Word Search

The success of our University is built upon demonstrating **WVU's Values: Service, Curiosity, Respect, Accountability and Appreciation**. Our collective efforts will promote a positive work environment and lead to success in reaching our institutional goals.

**Instructions:** Ask everyone to pick a value that resonates with the team. Once you've agreed upon a value, email a copy of this word search and direct folks to start. Set a timer and use the word bank on the right to find and circle each word representing that specific value. The words could be placed forward, backward, diagonal, up and down. Once the timer is up, count who has the most words found and announce the winner!

**SERVICE:** We seek opportunities to serve others and commit to providing the highest quality of service.
