Kindergarten Prep Program

Gearing up for the last year before kindergarten? This is an exciting time, filled with growth. At West Virginia University Child Learning Center, you'll find a program that inspires curiosity and curriculum that helps your child build the social and academic skills needed to be ready for school.

And we're here for you, too, with carefully planned hours, a convenient location by West Virginia University, close-knit center community, and parenting resources.

Program highlights include:

- Teachers who encourage children to reach developmental and academic milestones
- Creative, hands-on, and project-based learning
- Support for core pre-academic areas including literacy, mathematical reasoning, and scientific investigation
- Multiple and diverse learning activities that ensure children thrive in all areas of development
- Focus on the understanding of teamwork and positive self-image
- Health and safety policies designed for peace of mind

Your child is like no other. Their education should be, too.
